

We Are in the Zoo

G3-U4-L6

Review

Look at the pictures. Write the names of animals.

Tips: 1. Have students say and write the names of these animals. 2. Correct the mistakes. (1 min)

Review

Look at the pictures. Write the names of animals.

Learn

peacock

mandarina ducks

trunk

Learn

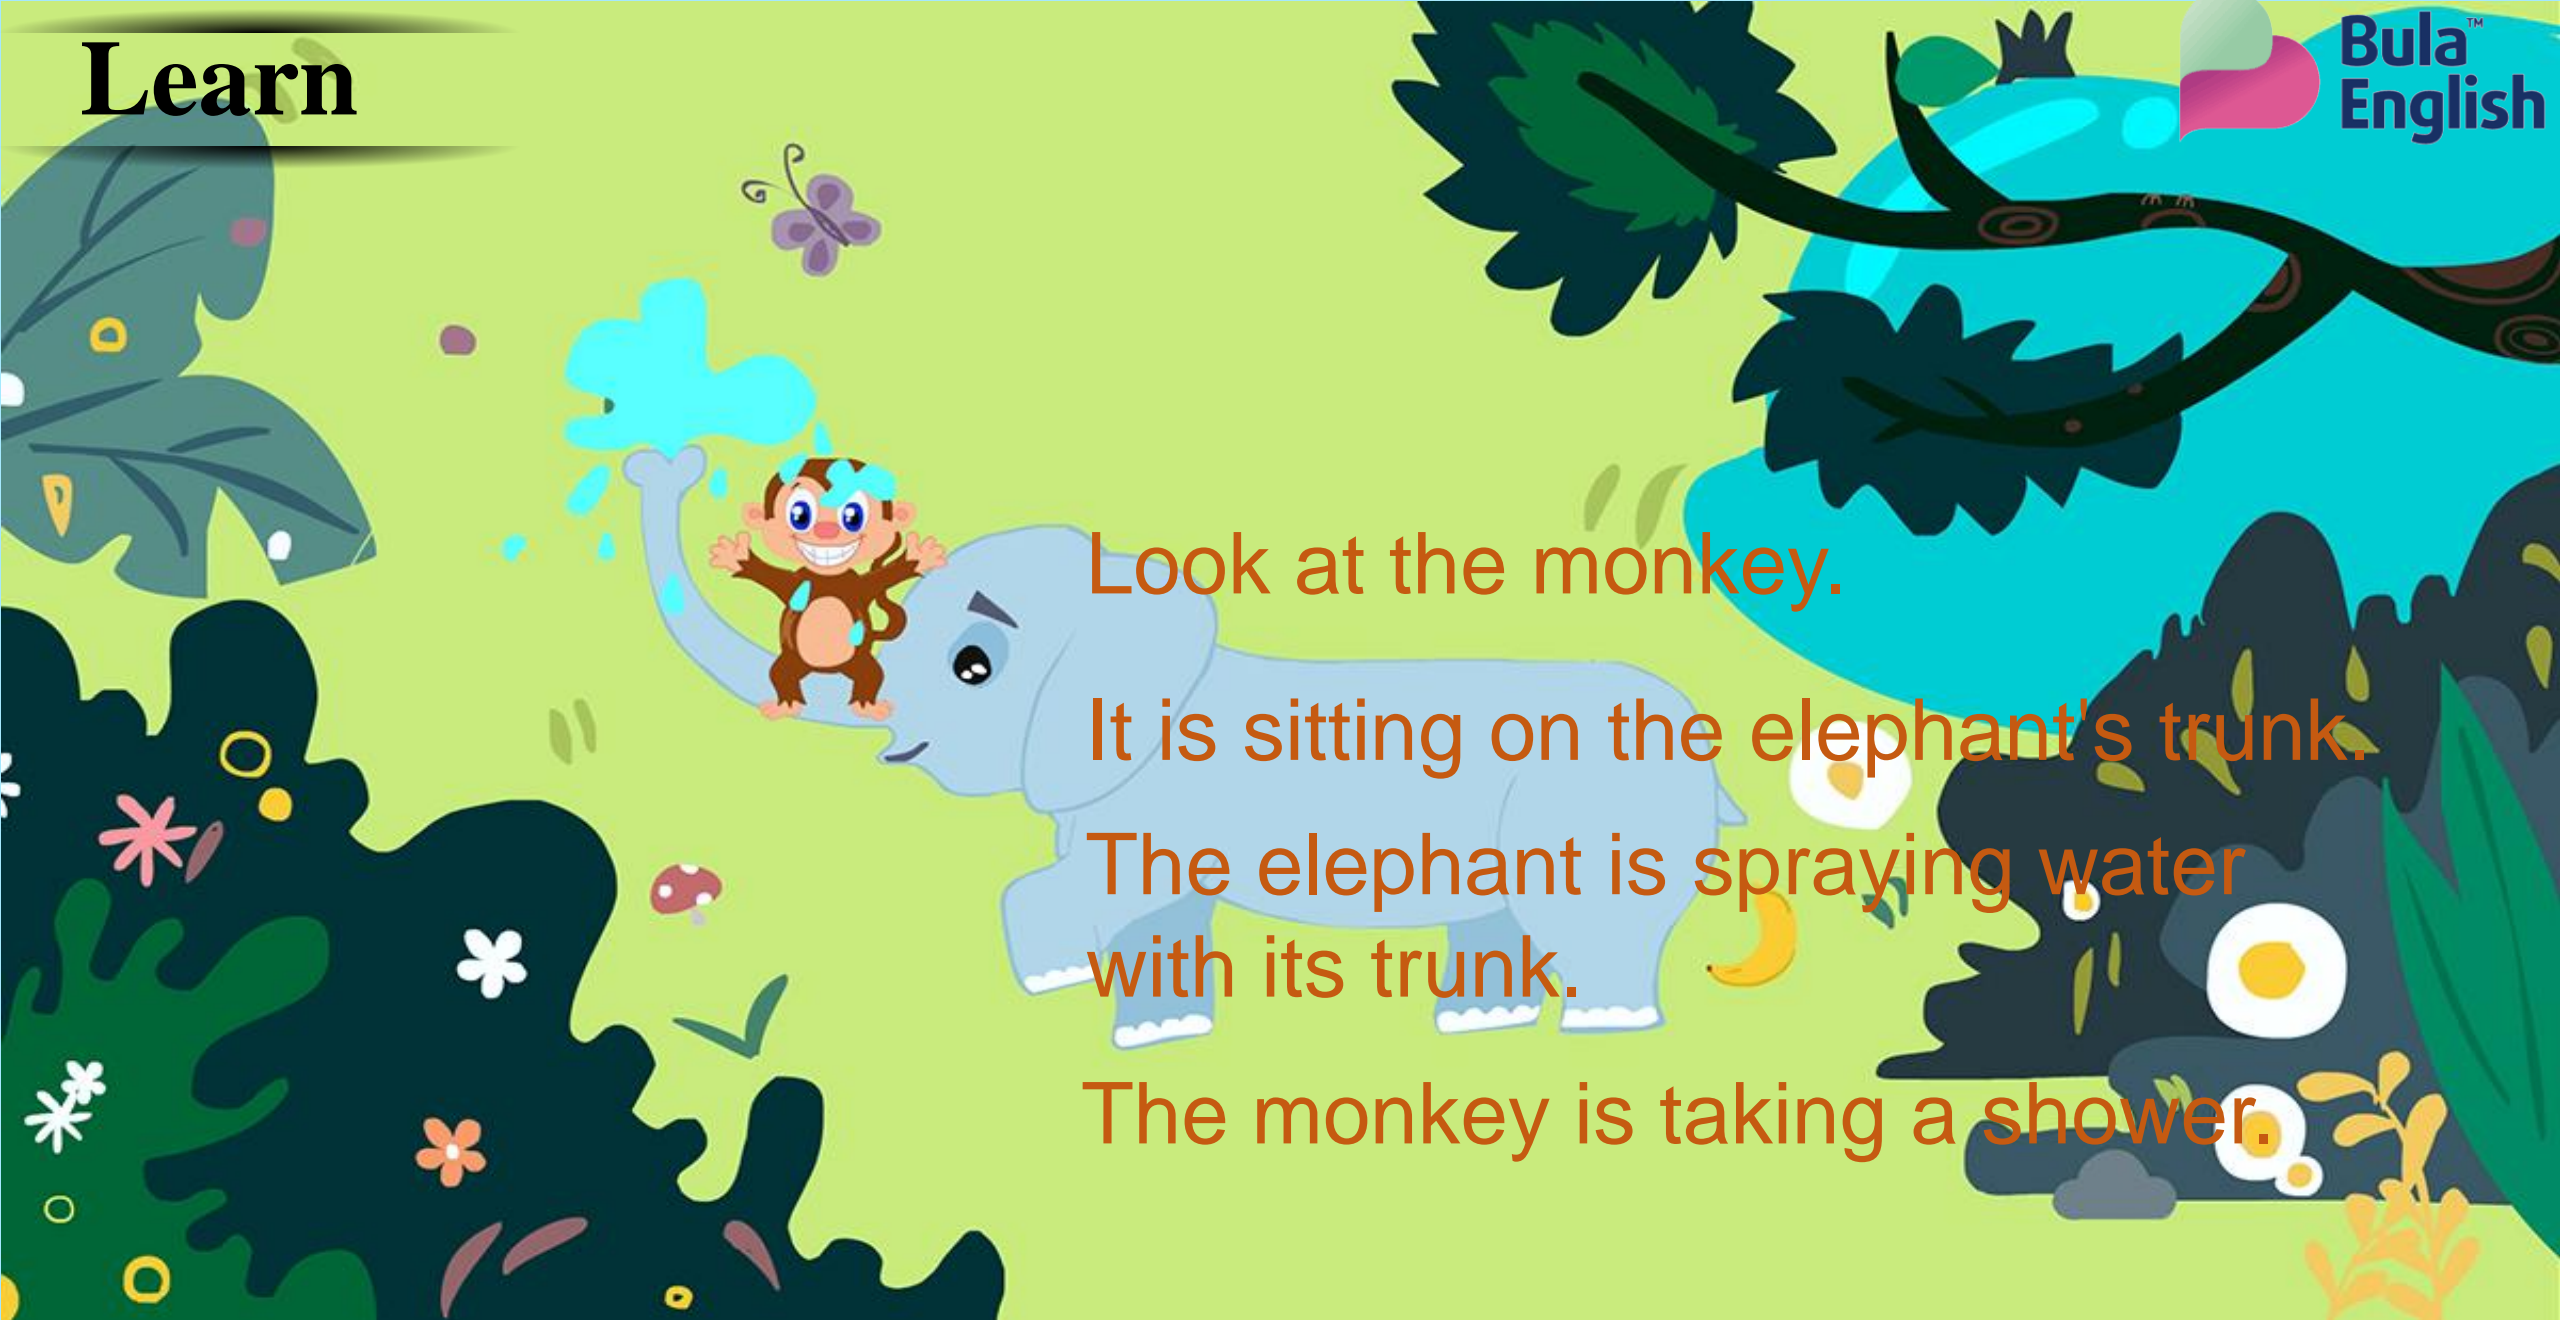

We are walking in the zoo.

We see beautiful birds and beasts.

The peacock spreads its tail feathers.

Mandarina Ducks swim in the river.

Learn

Look at the monkey.

It is sitting on the elephant's trunk.

The elephant is spraying water
with its trunk.

The monkey is taking a shower.

The dolphin is waving its flippers.
The parrot is saying hello.
Hello, hello, hello, and, how are you?
I'm so great! And thank you.
We love animals and they love us.
They are so cute, and we are friends.

Where are they now?

Which animal is sitting on the elephant's trunk?

Which animal can say “hello”?

Which animal is waving its flippers?

Practice

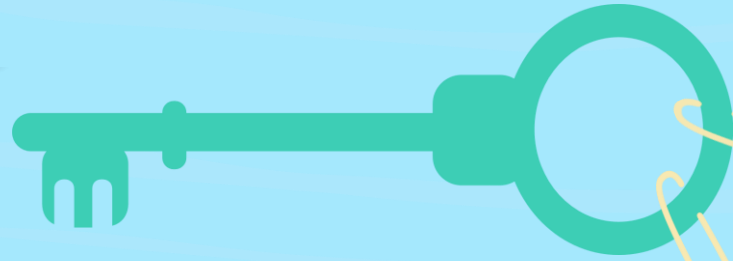

Fill in the blanks.

1. The _____ spreads its tail feathers.
2. _____ swim in the river.
3. The _____ takes a shower.
4. The dolphin is _____ its flippers.

Tips: Complete these questions. Teacher can ask more questions to have students to answer.
For example: "Do you know where polar bears live?"(2-3 min)

Practice

My favorite animals are _____.

They live in _____.

They can _____.
They can't _____.

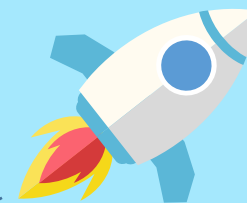

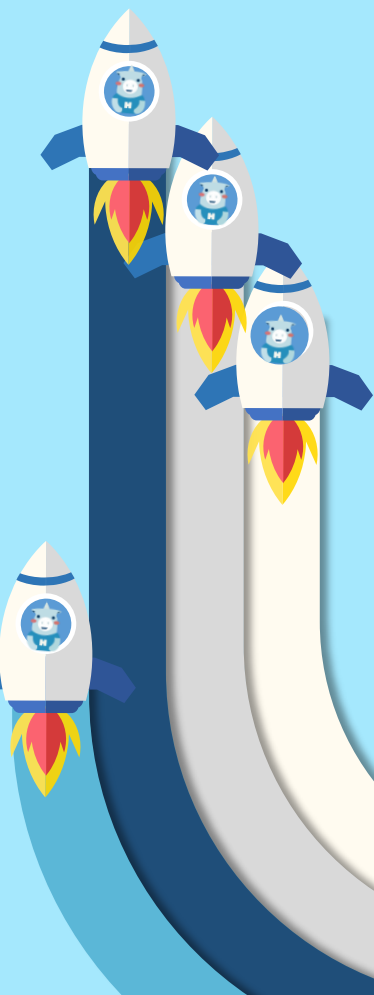

Tips: Have the students to answer these questions according to their own ideas.(1-2 min)
