In Fair Weather Prepare for the Foul
Weather can be unpredictable. It's always important to be prepared for what severe weather may bring.

In very hot weather, drink more water than usual and don't wait until you're thirsty to drink. Wear a hat and sunglasses.

Be aware of the type of severe weather that may take place. Stay indoors under severe weather such as storms, snowstorms, and tornadoes.

Practice

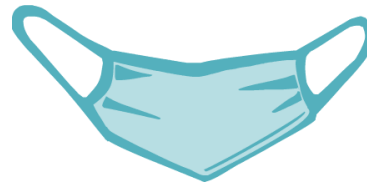

Match the weather with the things.

cloudy rainy sunny

raincoat

mask

sunscreen

Practice

Match the weather with the things.

cold

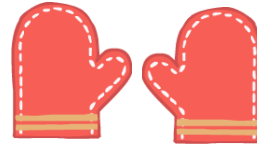

rainy

sunny

sunglasses

mittens

rain boots

Practice

1. How should you prepare for a hot and sunny day?

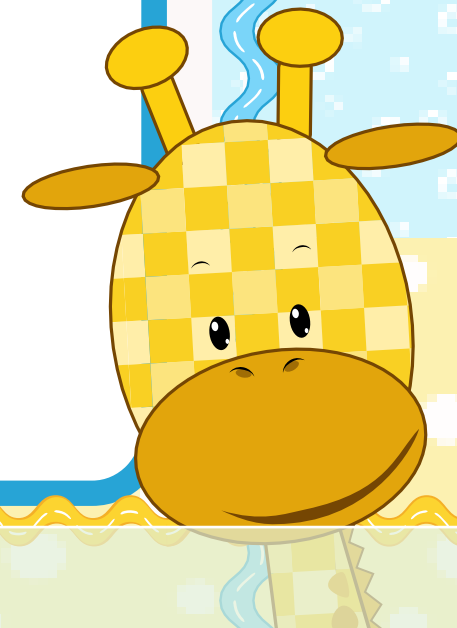

Tips: 1. Have students read the question and answer it; 2. Ask “Do you watch a weather report? Where can you find weather reports?”

Point out that weather reports are not always correct. Say: Sometimes, reports say it will rain or snow, but it doesn't. (2 min)

Practice

2. How should you prepare for a cold day?

Practice
