Learn

Tips: 1. Have students learn the words, and read them at least three times.

2. Use TPR to show the words. Explain the meanings of the words. For example, for fever, your temperature will rise. (1-2 min)

Learn

Hi, Mike. What's troubling you?

Oh, that's not good. What's the matter?

I'm not feeling very well.

I've got a headache. I had a runny nose last night. Now my nose is stuffed up. I have a sore throat.

Learn

Did you take your temperature?

How long have you been feeling sick?

Yes, I did. It's high.

For two days. I've made an appointment to see the doctor.

Learn

Oh. Good idea.
When's your
appointment?

Well, don't come to
class today. You
should stay at home
and lie in bed.

Sure. No problem.
I hope you get
better soon.

Tomorrow at
8:30 a.m.

39°C

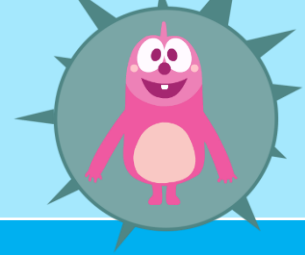

Yes...Can you tell the
teacher I'm sick?

Thanks. Bye.

Practice

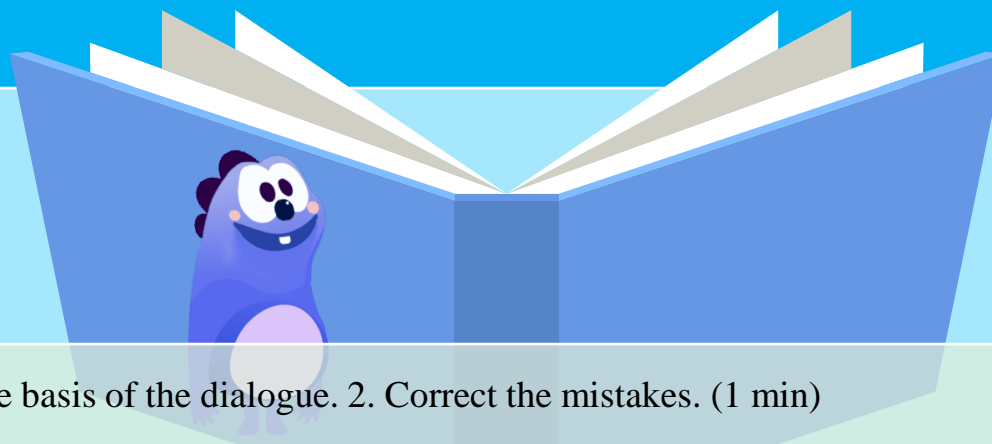

True or False.

1. Mike has a stomachache.

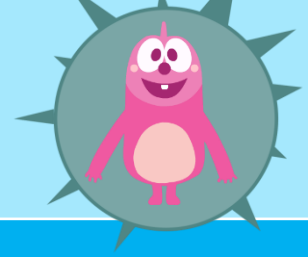

2. Mike should go to see a doctor.

Tips: 1. Have students choose True or False on the basis of the dialogue. 2. Correct the mistakes. (1 min)
