Capitalization means writing a word in capital letters or with an initial capital letter and the remaining letters in lowercase.

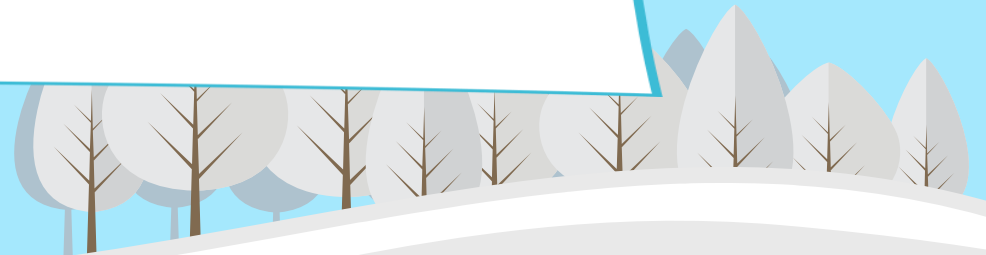

Are there any concrete rules that say which words in a title should start with a capital letter?

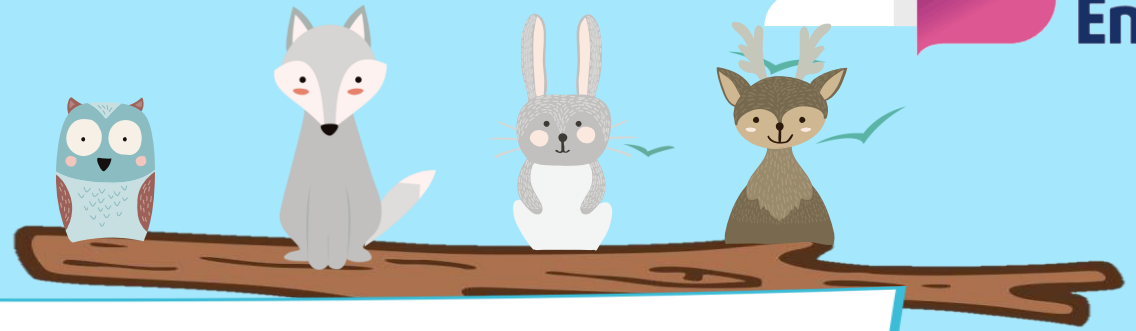

1. Always capitalize the first and last word of any title.

**The** Last of the **Mohicans**

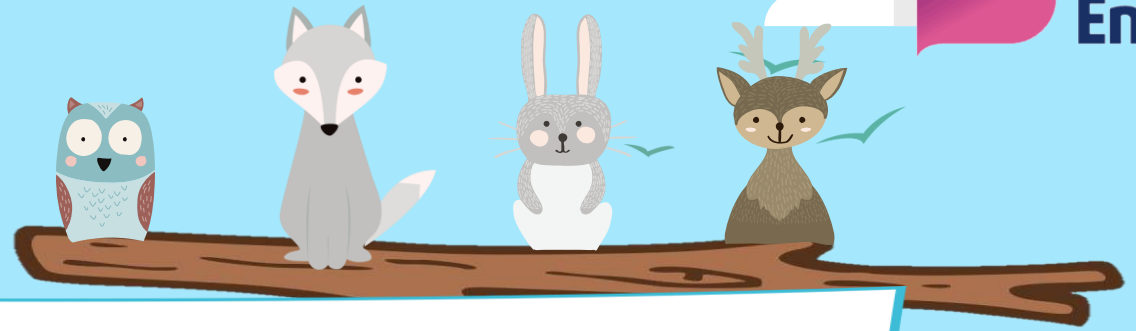

**How** to Land Your Dream **Job**

2. Capitalize nouns, pronouns, verbs, adjectives, and adverbs.

My New Job  
As She Ran Away

3. Do not capitalize articles, prepositions, or coordinating conjunctions.

In **a** Safe Place (article)

Fixing the Car **with** My Dad (preposition)

Snow White **and** the Seven Dwarfs  
(coordinating conjunction)
