

Why Not Go to a Circus?

G3-U4-L4

circus

do tricks

sit in a line

It will be Sunday tomorrow.
Why not go to a circus?

Oh, there are a lot of animal acts.
“Tigers act in which they jump
through a fire ring.”, “A seal does
tricks with a ball”, and so on.

George

What's there?

Are there any
monkey tricks?

Queenena

Yes. And there are also dog tricks.

For instance, a group of cute little dogs sit in a line. They can calculate. If the dog trainer says one plus two, one of the dogs approaches the board with a "3" and brings it to the trainer.

What kind?

Oh, can we see them tomorrow?

Queenena

Maybe. Shall we go there tomorrow?

No, but we can go to ask Jack. He went to see some of them yesterday.

George

Mm...Are you sure we can see all of them?

Ok.

Queenena

Practice

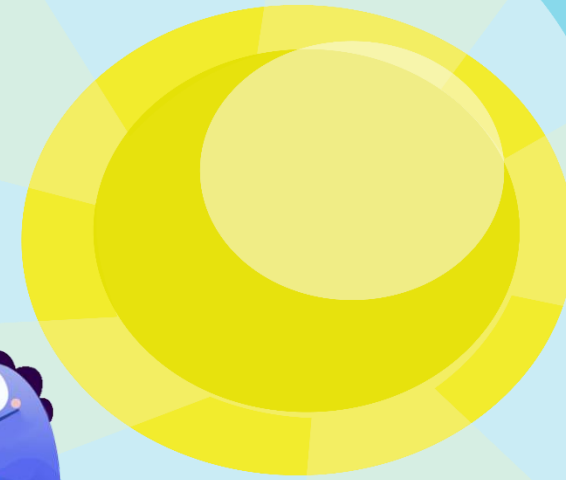

What are George and Queenena talking about?

They are talking about a circus.

What's the performance in the circus?

“Tigers act in which they jump through a fire ring.”, “A seal does tricks with a ball”, and so on.

Practice

Can the dogs calculate?

Yes, they can.

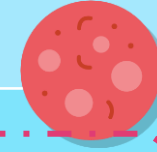

Will George and Queena go to see the circus tomorrow?

Perhaps.

Practice

Choose the words and complete the sentences. Use words from the box.

circus

jump

do tricks

calculate

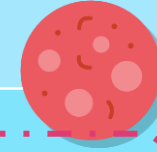

1. Dogs can calculate.

2. A seal can do tricks with a ball.

Practice

Choose the words and complete the sentences. Use words from the box.

circus

jump

do tricks

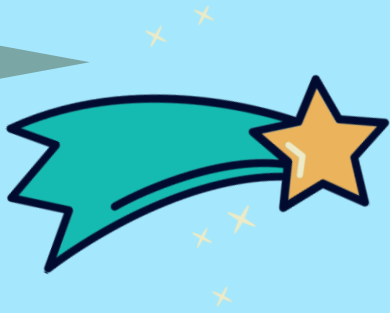

calculate

3. Why not go to a circus?

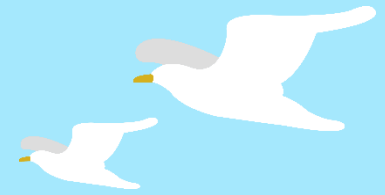

4. A tiger can jump through a fire ring.

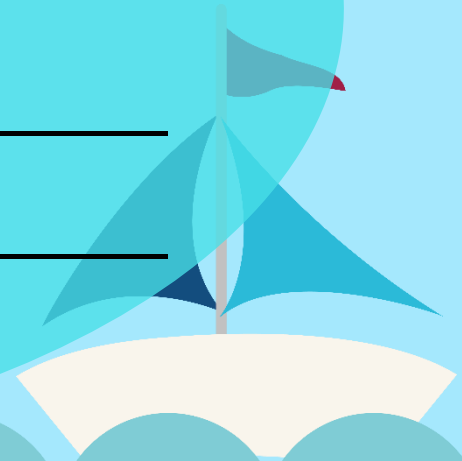

Practice

Let's talk.

Have you been to a circus? Are you
interested in it?

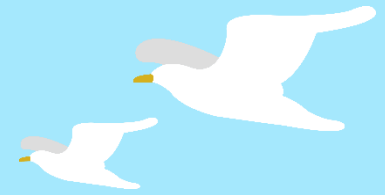

Tips: 1. Ask the students to answer the questions. 2. Correct the mistakes. (2-3 min)

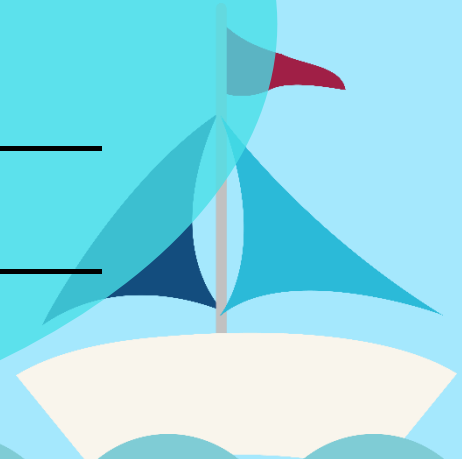

Practice

Let's talk.

Do you think the dogs can calculate?
Explain.

Tips: 1. Ask the students to answer the question. 2. Correct the mistakes. (2-3 min)

Conclusion

1. We have learned the words:
circus, for instance, do tricks,
sit in a line, calculate
2. We have learned the sentences:
Why not go to a circus?
A seal can do tricks with a ball.
A group of cute little dogs sit in a line.
They can calculate.
