## School Days Around the World

Children in the UK usually start going to school just before their fifth birthday.

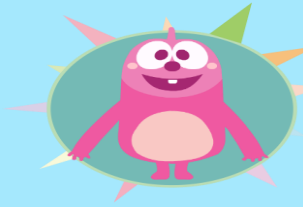

In Spain, some babies start kindergarten when they are four months old.

In Australia, children begin primary school around age 5.

## Make a Suitable Timetable

Making a suitable timetable is necessary and important for us to make good use of our time. A well thought-out timetable helps you take control of your day from one hour to the next.

Tips: 1. Ask the students to read these sentences. 2. Correct the mistakes. (2-3 min)
